

A Midsummer Night's Dream

Actor/Character Breakout by Scene

Each row in this table represents a scene in the play. Columns indicate the number of actors in each scene and the scenes in which the actors appear.

For flexibility, **red text** indicates a character that can be played by the specific actor or any actor who has an "x" in that same row. If there are multiple character names in red text in the same row, those actors can swap roles among themselves.
